

RESULTS BOOK

*Hosted by the Senior Olympics of
Northeast Ohio/
District XI Area Agency on Aging, Inc.*

Proud member of the

Ohio Senior Olympics 2005 State Games

Greeting Senior Olympians!

Here are the results from the 2006 Ohio Senior Olympics state games held between July 29 and August 8 in the greater Youngstown area. Over 420 athletes competed in 14 sports during this year's games and we enjoyed having you with us. Congratulations to EVERYONE who competed in this year's games. You are all winners because you came out to compete! The results book includes information about those who received medals in their competition.

The state games will be held in Youngstown in 2006 as well. The 2006 games will also be held in late July into early August. The final schedule should be ready in early 2006. The schedule will be posted on the Ohio Senior Olympics web site when it is finalized, so check there for first information about the games, www.ohioseniorolympics.org

A reminder: the 2006 Ohio Senior Olympics state games will be the qualifying games in Ohio for the 2007 National Senior Games: *The Senior Olympics* to be held in Louisville, Kentucky. If you want to qualify for the national games, the state games in Youngstown will be the way you can do that. You can visit the National Senior Games Association web site for information about the national games and other NSGA events and activities, www.nsga.com.

Our results book would not be complete without thanking the many sponsors who helped make the games a success. The Ohio Department of Aging has made a commitment to Ohio Senior Olympics and the state and local games. Their constant support has improved many aspects of Senior Olympics in Ohio and we can't thank them enough.

Our major local sponsors were Youngstown State University, First National Bank and Humility of Mary Health Partners. Many thanks to these organizations which made the games possible in 2005.

Many thanks also to the Youngstown/ Mahoning County Convention and Visitor's Bureau, HomeCare with Heart and Shepherd of the Valley Retirement Communities for their help with individual events.

Last, but not least, thanks to the staff at the Area Agency on Aging and from the community that volunteered their time to help out at the games.
